

CVUSD College Night Seminars on TV!

Message from the District Office:

CVUSD College Night Seminars are now airing continuously, 24 hours a day, on our Educational Channel, Channel 20 on Time-Warner, and 42 on Verizon.

Viewers will hear from college admissions officials from the UC's, Cal States, USC and California independent colleges, as well as advice on college admissions testing, how to select the right college, how to apply for financial aid and scholarships, the college bound athlete, and other general information topics on preparing for college.

We encourage our high school students and parents to watch the presentations.

There is no set schedule for specific topic times and dates, all seminars will be rotated randomly into the 24 hour schedule.

We hope you will find these televised seminars useful!
