## Majors Requirements

Deadline for students to complete Majors Program Requirements for Graduation Recognition is May 1 of their Senior year.

NPHS students have a unique opportunity to explore college majors and career interests through the Majors Program. Students may enroll in this program starting in Grade 10. Throughout their high school career, students are expected to meet the various program requirements suggested by grade level. Due to the limited availability of internships, students are encouraged to complete their 30 hour culminating activity through community service related to their Major. Community service guidelines are available in Room B1 and on the web site. Summer vacation is an excellent time to complete community service. A list of local organizations that sponsor an organized volunteer program is available in Room B1.

All requirements must be documented in the student's Majors Program file with Mrs. Anders, School to Career Coordinator, ([kanders@conejo.k12.ca.us](mailto:kanders@conejo.k12.ca.us) 805-498-3676 ext. 1168) located in Room B1. All students should review their file regularly. Seniors are expected to meet with Mrs. Anders by January of their senior year to make plans to complete program requirements.

Grade Level	Requirement	How to Meet Requirement
Sophomore - Senior	Informational Interview	<ol style="list-style-type: none"> <li>1. College &amp; career center speaker</li> <li>2. Interview a professional on your own</li> <li>3. Attend a Career Choices Fair at NPHS.</li> </ol>
Sophomore – Senior	Job Shadow: (a workplace tour and interview)	<ol style="list-style-type: none"> <li>1. Job Shadow Day, February (Students apply - deadline in November 30)</li> <li>2. Listen for bulletin announcements for other opportunities.</li> <li>3. Forms are available in B1 and returned to Mrs. Anders in the College and Career Center.</li> </ol>
Juniors & Seniors	Major related internship or community service or work experience (30 hours minimum)	<ol style="list-style-type: none"> <li>1. Student applications are accepted from seniors requesting an unpaid internship during the school year. Internship availability is limited and dependent on local business partner support. Students must complete an application and be approved by their counselor and Mrs. Anders. Applicants must demonstrate good progress in meeting majors program course work and other program requirements, and have parent approval.</li> <li>2. Students participating in approved major related community service must submit a community service log or other documentation signed by an adult supervisor.</li> <li>3. Students enrolled in the work experience program whose work is related to their major may provide payroll stubs and a recent employee evaluation to document their experience.</li> <li>4. The following may count for this requirement depending on your major: elementary educational aide class, fire cadet program, explorer program, Rockwell Scientific internship, NPHS; theater program, mock trial, teen court, best buddies, outdoor counselor.</li> </ol>
Senior	Resume. complete a professional resume of your education, skills and abilities	Seniors should maintain an updated resume in their Majors Program file. Complete a resume in economics class or come by B1 for a resume packet to complete a resume on your own. Or attend the Resume Workshop offered at lunch in the spring. See Mrs. Anders for details.
Sophomore - Senior	Complete 30 credits in your major	Throughout your high school career, take 30 credits in courses related to your major. a course list is available in the counselors' College and Career Center, the NPHS website and the CVUSD Course Directory.
