Dear Parents:

## REPORT CARD DISTRIBUTION 2010 – 2011

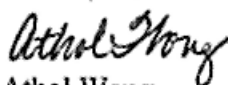

Report card distribution will be similar to the method employed last school year. We will continue to notify parents in a timely manner. Students will again hand carry all report cards home during the school year. NOTE: All June grades will be mailed home, as has been done in the past. It is very important that all parents be aware of the marking periods so that they may anticipate the arrival of their student's grade reports. The success of this process continues to be dependent upon two very important aspects: student responsibility and parent awareness.

In addition, we will continue the practice of making automated telephone calls to remind parents about grade reports, and parents may access our computer system the same day that students receive the report cards to view students' marks electronically. Please contact the Counseling Office if you have difficulty accessing information online.

As always, we encourage parents to contact teachers with questions and concerns about grades or class work.

Should you have any questions regarding report card distribution, please call the registrar, at (805) 498-3676, ex. 1037

Thank you,
