STUDENT ACCIDENT INSURANCE -- 2010-11 SCHOOL YEAR

Dear Parent/Guardian:

The Conejo Valley Unified School District **does not** provide medical insurance coverage for children injured at school or during a school activity. Parents are responsible for the payment of all medical bills if children are injured, or become ill, during school activities. The attached student accident/health insurance plans are offered to assist families who may not have other health insurance coverage.

Many coverage options are available. The Student Health Care and High Option 24-Hour Accident plans should be considered for those students with no other insurance because they provide the most coverage when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day.

If your child has other health coverage, student insurance may also be used to help pay those eligible charges not covered by other insurance (i.e. deductibles and co-payments).

Please read your brochure carefully. (If you have any questions, please call the plan administrator, Myers-Stevens, at (800) 827-4695, or (949) 348-0656. Bilingual representatives are available for parents who need assistance in Spanish.)*

Sincerely,

Jeffrey L. Baarstad, Ph.D.
